

## External Quality Assurance Program in Medical Mycology

Mycology Division, Department of Medical Microbiology  
Postgraduate Institute of Medical Education and Research,  
Chandigarh -160012

### Performance of laboratory participated in EQAS - July 2016 (Batch -15)

Ref No. EQAS/2016/15/28

Date: 05.10.2016

Name: Dr. C. S. Sripriya

Name of the Institute: Anderson Diagnostics & Labs, Chennai .

Sl. No.	Sample / Code	Clinical detail			Correct identification	Interpretation
		Age/sex	Clinical feature/diagnosis	Source of specimen		
1	EQMM-1	77/M	Chronic pulmonary aspergillosis	Bronchoalveolar lavage	<i>Aspergillus fumigatus</i>	Pulmonary aspergillosis
2	EQMM-2	30/M	Tinea corporis	Skin scraping	<i>Trichophyton mentagrophyte</i>	Dermatophytosis
3	EQMM-3	29/M	Rhino-orbital mucormycosis	Necrotic tissues from nasal lesion	<i>Lichtheimia corymbifera</i>	Rhino-orbital mucormycosis
4	EQMM-4*	50/M	Chronic pancreatitis	Blood	<i>Trichosporon asahii</i>	Disseminated trichosporonosis
5	EQMM-5	35/F	Onychomycosis	Nail clippings	<i>Chaetomium globosum</i>	Onychomycosis.

\*AFST (EQMM-4) - Minimum inhibitory concentration

Amphotericin B-2 mg/L; Fluconazole -0.5 mg/L; Itraconazole -0.03 mg/L; Voriconazole-0.03 mg/L; Posaconazole 0.06 mg/L

Score: 80%

Performance: Good

**Dr. M.R. Shivaprakash, MD**  
Professor,

Department of Medical Microbiology,  
Postgraduate Institute of Medical Education and Research,  
Chandigarh, India-160012.
